

Chateau En Bois Rond is a luxurious, lakeside lodge that can comfortably sleep 12 people across 6 bedrooms.

We are delighted to share our 5,000 sq. ft home with you and know that you will find your every need catered for here.

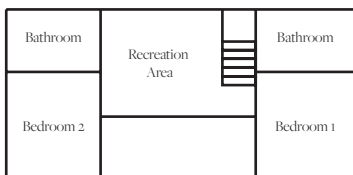

We have everything that you need for your break, from the south-facing veranda, built for summer barbecues after a day on the lake to the hot tub and sauna, perfect for relaxing after a day on the slopes of Tremblant or Sommet Saint Sauveur!

Facilities Overview

- Private dock and direct access to Fiddler Lake
- 2 kayaks and a canoe available exclusively to Chateau En Bois residents
- Hot tub & sauna
- South-facing veranda with sun loungers, gas BBQ & table for 12
